GOODWILL HOME MEDICAL EQUIPMENT STORE RELOCATING TO BELLMAWR/CAMDEN COUNTY

Mercer County Location to be Transformed Into Goodwill Donation Center

Maple Shade, NJ – (February 14, 2019) — To give shoppers greater access to its vast inventory, Goodwill Home Medical Equipment is moving its store from 2901 Brunswick Pike in Lawrenceville, NJ to 300 Benigno Blvd. in Bellmawr, NJ (Camden County) effective February 16th. This warehouse location features 16,000 of space which is more than five times the size of its existing location. Goodwill’s current Lawrenceville location will be transformed into a Goodwill Donation Center in the coming weeks.

Goodwill Home Medical Equipment collects and sells refurbished home medical equipment and unopened medical supplies at the most affordable prices around. Prescriptions are never required. Typical items generously donated to Goodwill and available for sale at Goodwill Home Medical Equipment include wheelchairs, walkers, portable ramps, lift chairs, hospital beds, canes, crutches, and bath and shower items, just to name a few. Once fully sanitized, these goods are sold at drastically reduced costs—translating into huge savings on items that are often not fully covered by health insurance, Medicare or Medicaid.

“From a cancer patient in need of a hospital bed to an elderly person who requires incontinence products and a child who uses specialized equipment for therapy, Goodwill Home Medical Equipment provides certified, reliable and affordable products,” said Goodwill President & CEO Mark B. Boyd. “With healthcare reform taking hold and the need for durable medical supplies and equipment rising, Goodwill is pleased to provide a cost effective alternative. We encourage area residents to give gently-used medical equipment a second life by donating them to Goodwill so that we can get items into the hands of those who truly need them the most.”

The Goodwill Home Medical Warehouse is open on Thursdays and Fridays from 9 am – 3 pm and on the first Saturday of every month from 9 am – 1 pm. Wednesdays are by appointment, only (please call 609-396-1513). To shop 24/7, please visit www.goodwillhomemedical.org. Lastly, donations of medical equipment are accepted at Goodwill's 25+ donation centers location throughout Southern and Central NJ and the City of Philadelphia. Please visit www.goodwillnj.org to find the one nearest you.

Goodwill Home Medical Equipment has CHAP Accreditation from the Community Health Accreditation Partners under the Standards of Excellence in the durable medical equipment category. In simple terms, this is the highest nationally recognized standard in the community-based healthcare industry and demonstrates our quality of services and products you receive.

Goodwill Industries of Southern New Jersey & Philadelphia is a nonprofit, community based organization. Its mission is to help people with special needs get to work. The large scale collection and sale of gently-used items in Goodwill's retail stores fund job training programs and other career services that prepare individuals with disabilities and disadvantages for competitive employment in the community. Goodwill Home Medical Equipment operates as a division of Goodwill Industries of Southern NJ & Philadelphia.
