

Sign up today for forklift training at Goodwill Industries of Southern New Jersey and Philadelphia to earn your Forklift Operator Card. Classes are held by a certified trainer based on guidelines provided by the Occupational Safety and Health Administration (OSHA). Upon successful completion of this one-day training you will receive your forklift certification!

WHO:

Eligible candidates include anyone interested in earning their Forklift Operator Card. An 8th Grade reading level is required

WHAT:

Forklift Training covers 3 & 4 wheel counter-balanced lift trucks. These are known as ICE by OSHA regulations- Industrial Counter-Balanced Equipment.

WHEN:

Select Saturdays
from 8:30 am to 4:30 pm

WHERE: [2 LOCATIONS]

1. Goodwill's Contracts Facility
7060 Colonial Highway
Pennsauken, New Jersey
2. Goodwill's Contracts Facility
1440 E. Erie Avenue
Philadelphia, PA 19124

Certification Includes:

- 3 & 4 Industrial Counter-Balanced Equipment, with a "side shift attachment"
- General education elements that apply to almost all types of lift trucks
- Theory and operational considerations
- Students are easily certified by employers with different types or applications for industrial trucks

Cost:

One-time fee of \$250. This fee includes the cost of administering the certification and Forklift Operator Card on the same day upon successful completion of training. In addition, graduates will have the opportunity to apply to open forklift positions at Goodwill.
